

# INNOVATIVE BUILDING

## This Month's Merit Award

*The Merit Award entrant for this month is the Sydney architectural firm of Lippmann Associates for the design of the new Beauchamp Industrial Estate located within the industrial precinct of Port Botany — Sydney, NSW. Full story page 10.*

*A side view of the office Warehouse facilities for the industrial estate. The client requirements were to maximise floor space on the site. A high proportion of well serviced office space was considered appropriate for allied administrative support functions.*
